

Łamigłówki dla dzieci – JAPONIA

Poprowadź linie po śladzie, a dowiesz się, jakie znaki japońskie odpowiadają polskim wyrazom: pies, słoń i ptak.

Three boxes containing illustrations of a dog, an elephant, and a bird. Below each illustration is a small circle. Dotted lines connect these circles to a central area containing three large, overlapping circles. From the bottom of each large circle, a dotted line leads to a rounded square box containing a Japanese character: '像' (image), '犬' (dog), and '鳥' (bird).
