

OUR LIFE IN ONLINE LESSONS

Stara Wieś

Some lessons are very interesting, but sometimes sleeping in online lessons is an important part of our day :))

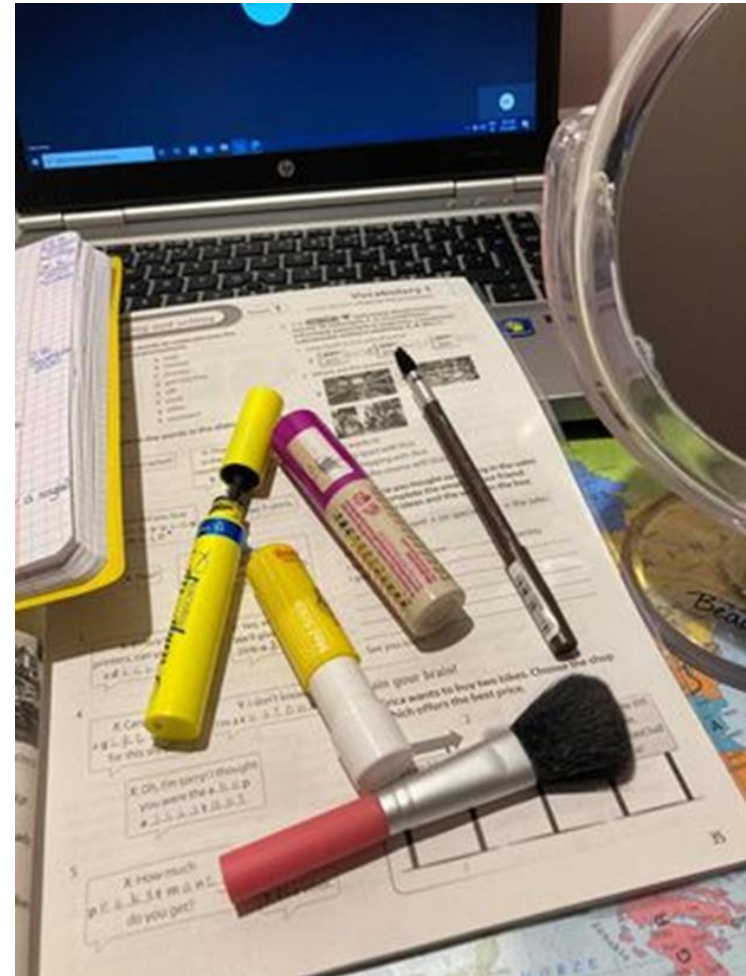

Doing makeup or hair styling in online lessons?

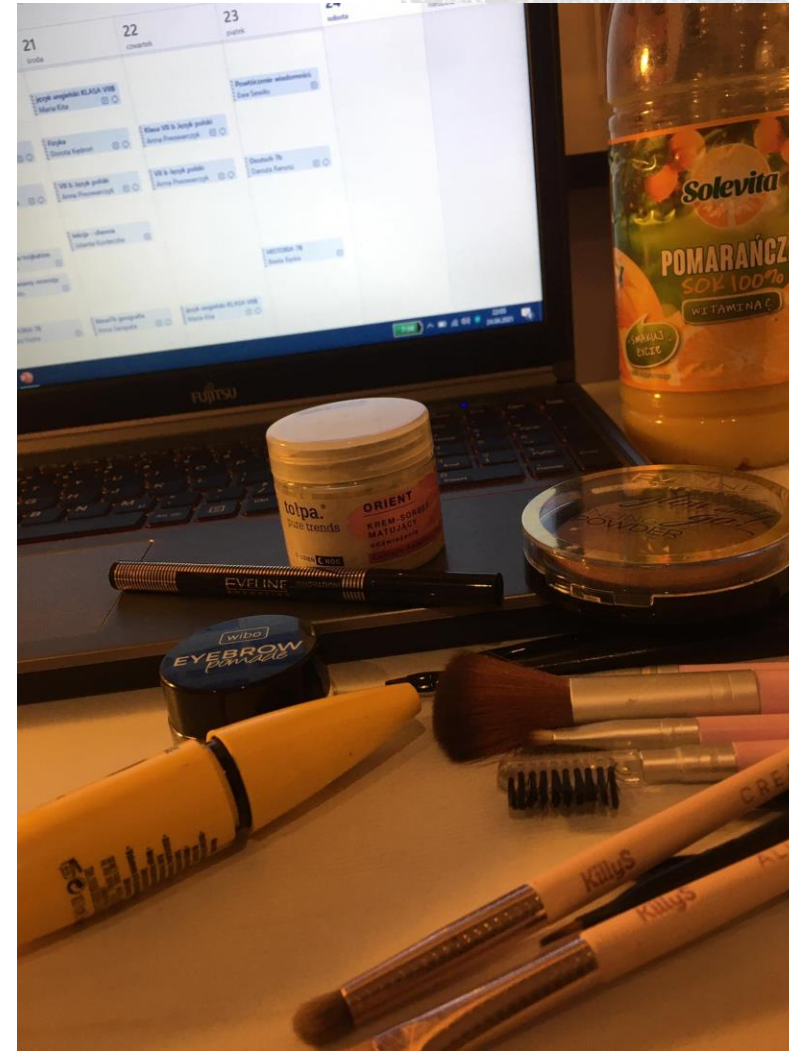

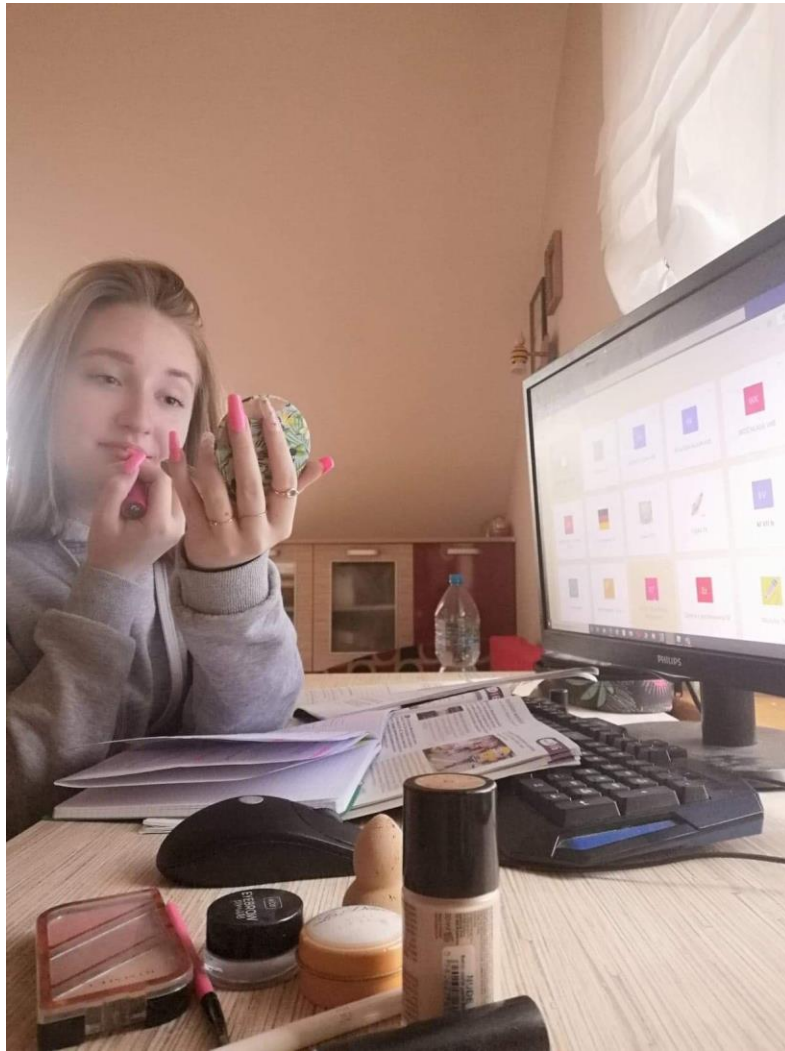

Why not!

Doing makeup during lessons is not unusual. It happens very often!

Doing makeup in online lessons helps save time ;)

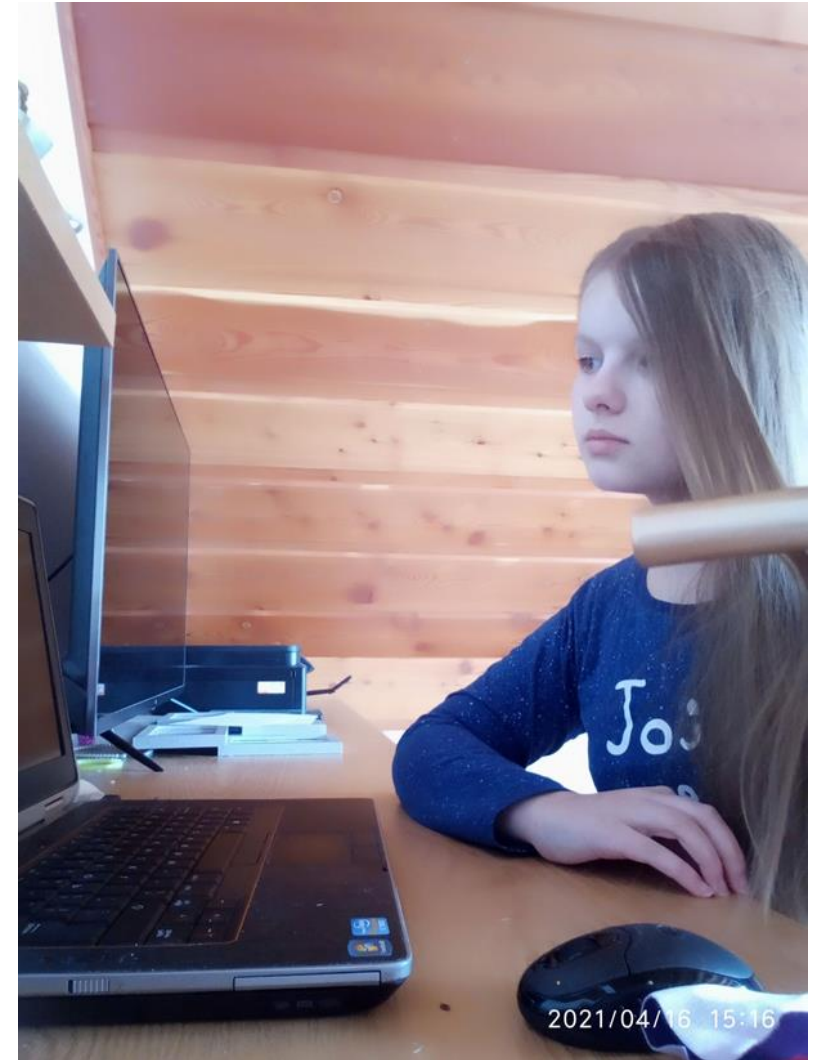

Of course there are people who take part in the lessons.

Our pets
also learn
with us
every
day.

**They are really great
company!**

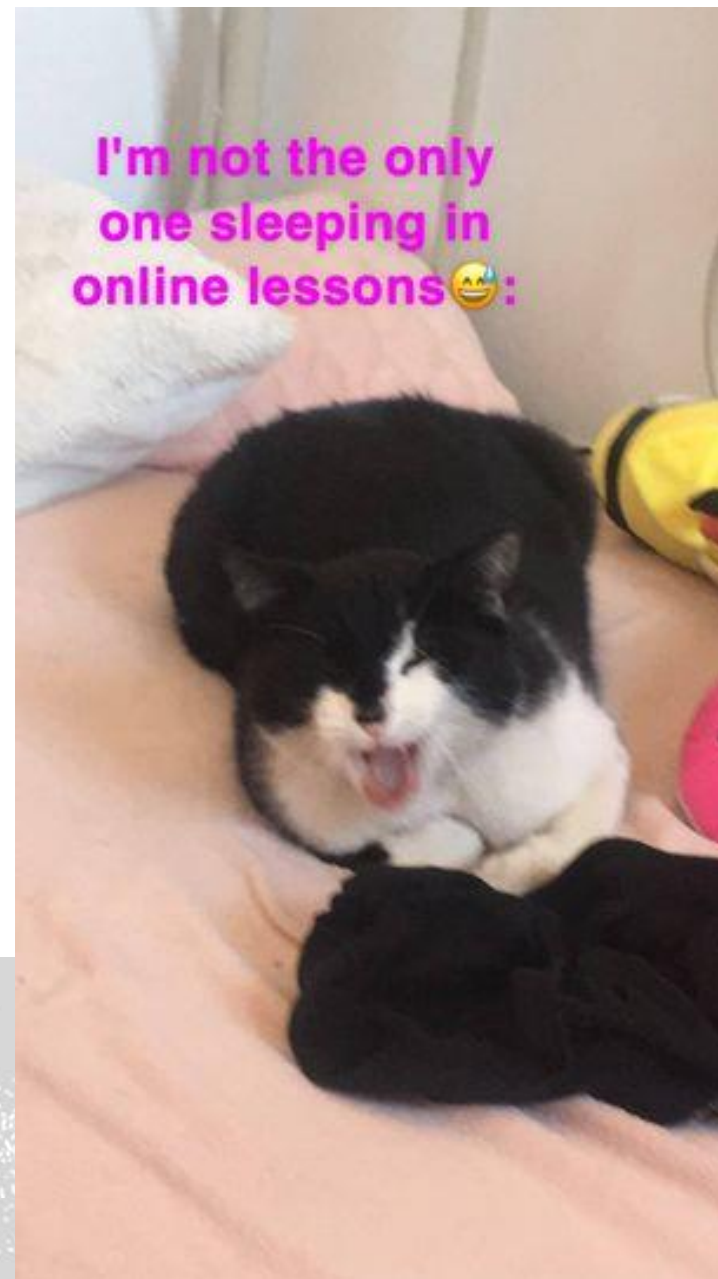

The presence of our
pets helps to survive
the lessons :))

Pets are often in the way of lessons...

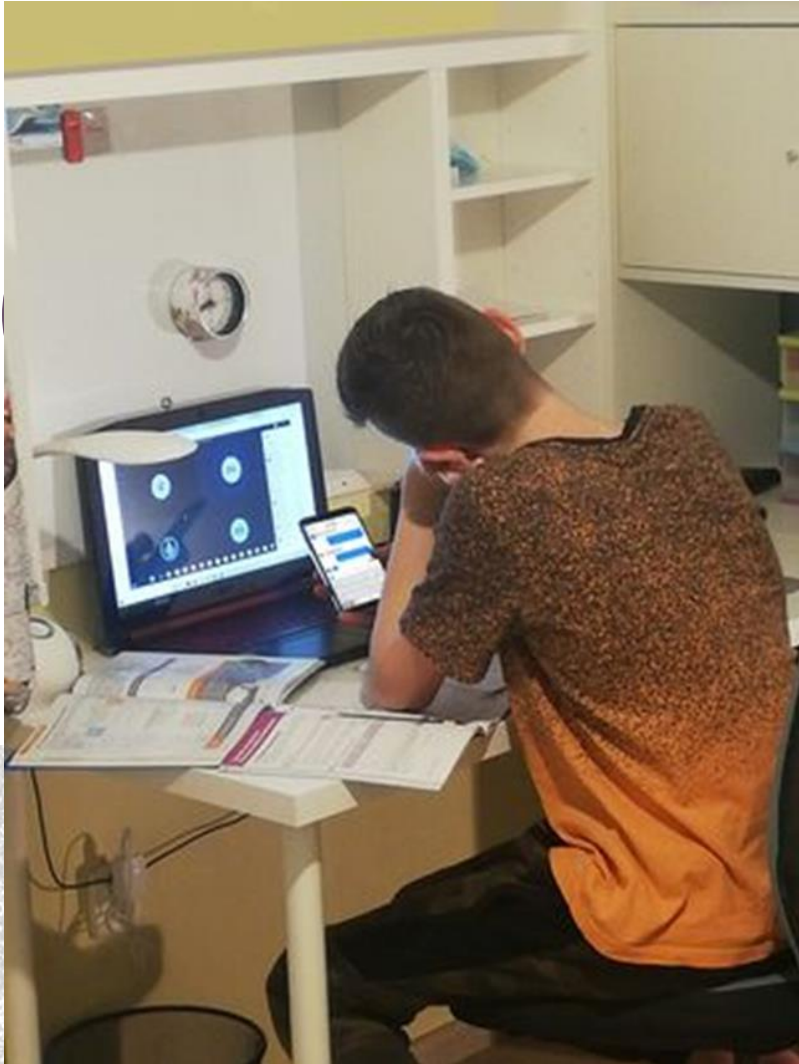

But they still make our day better :))

Why dress up
when you can be
in pajamas?

We often do other things in online lessons.

For example we spend time with our pets.

We eat breakfast
sometimes lunch too...

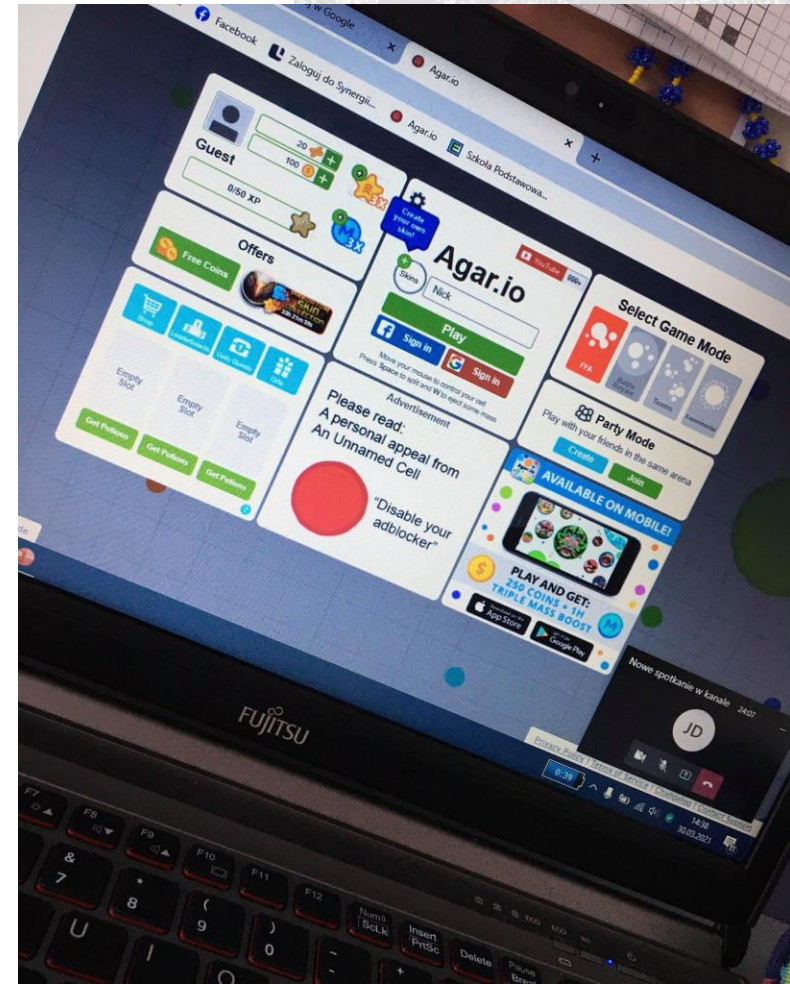

We also talk on the phone or we just don't listen to what the teacher says...

Whenever possible, we sometimes play games during lessons.

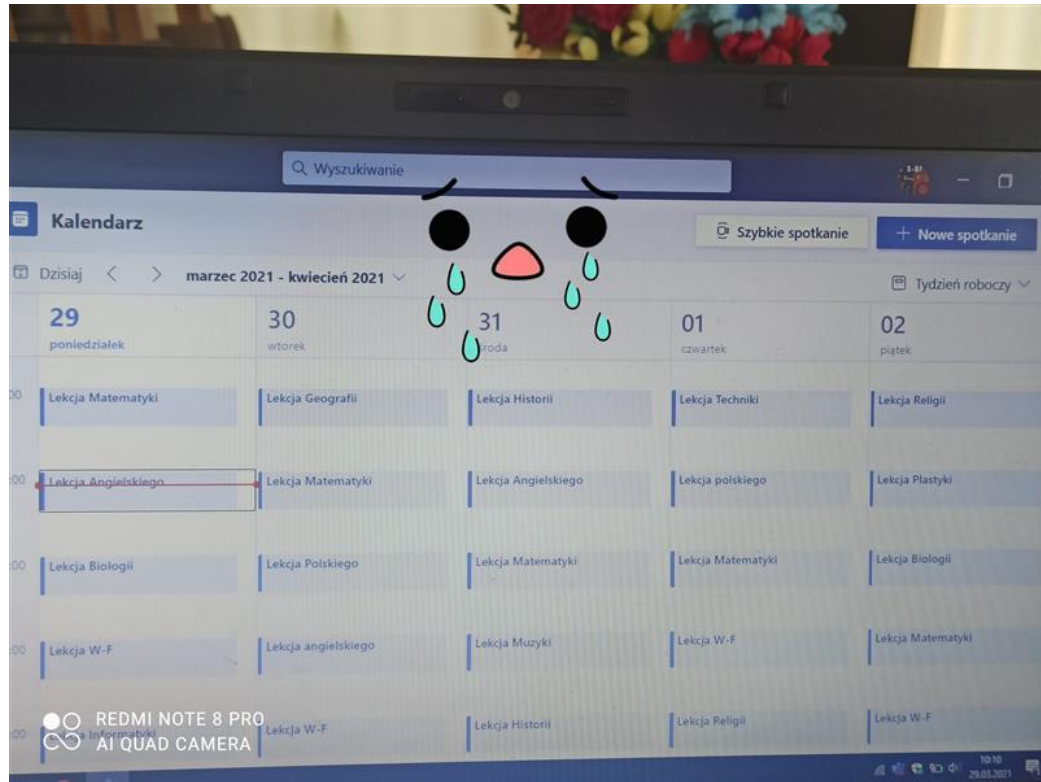

It's not easy to stop playing games!

Sometimes there are many lessons, even too many!

It is very difficult then, but somehow we survive...

Of course the lessons can be really funny!
